Guidelines

The *Madhav Research and Review: A Multidisciplinary International Journal* publishes reviews, research articles and short communications bi-annually. Given below are some guidelines for authors who wish to contribute in journal. Article submitted for consideration for publication should be original and not published anywhere. It is essential that authors prepare their manuscripts according to established specifications. Failure to follow them may result in papers being delayed or rejected. The manuscripts should be checked carefully for grammatical errors. All the papers submitted to journal go through a preliminary review at the editorial desk and those considered appropriate are sent to reviewers. On the recommendation of the reviewers the paper/articles may be accepted, modified or rejected.

- The paper should be about 5-10 pages in Times New Roman font, size 10pt, single spacing with one inch margin on all sides of A4 size paper.
- One hard copy of the article duly signed by authors should be submitted followed by soft copy in **Microsoft Word of the same through e-mail on researchmadhav@gmail.com.**
- The cover page of the article should contain:
 - Title of the article (16pt/Bold)
 - Name of the Author(s) (12pt / Bold)
 - Professional Affiliation (11pt)
 - Address for Corresponds(Professional and Residential) ,e- mail-ID, contact numbers (11 pt)
- The second page should contain (I) Title of Article (Times New Roman / 16 pt / Bold / Center aligned) (II) Author(s) name (12pt / Bold / Center aligned), (III) Professional Affiliation and mail-ID (11pt / Center aligned), (IV) An Abstract of the paper in about 150 words (Times New Roman / 10 pt / Single line spacing/ Justified), (V) Keywords should be provided which encapsulated the principal topics of the paper (5 minimum / Left aligned).
- All figure / tables / graphs / should be provided on separate pages with reference and should be in **computer format**.
- Titles in the running article or subtitle should be in **Times New Roman, Capitalized, and 14pt in bold**.
- The running matter of the article should be aligned justified.
- The author(s) should give declaration separately along with manuscript.
- **Acceptance and publication of article is subject to the guidelines. Once article is sent for review, it will not be returned to the author, even if not accepted to publication.**
- References should be collected at the end of the paper and numbered in alphabetical order of the author's name. The reference will include all significant bibliographical data: volume, issue number, page no., year, and editor/publishing house (APA format). The following examples show the preferred style for references:
 - Buck, S.F., "A method of estimation of missing values in multivariate data suitable for use with an electronic computer", *Journal of Royal Statistics Society, series-B, Vol-1, issue-2, 1960, Pp-302-306.*
 - Sanjay Gaur, *Geoinformatics: An introduction to Geographical Information System*, Himanshu Publication New Delhi, 2015.
- **All the editorial correspondence, including manuscript & declaration, be sent at the following address.**
